

NEWS HOOK – MERMAID SIGHTING

Local newspapers and television and radio stations look for upbeat stories with interesting and unusual photo opportunities. A mermaid reading to two or three children is a great news hook!

BACKDROP BUBBLES

Make a backdrop of everlasting bubbles by simply tying small, clear balloons to monofilament line. Attach the string of bubbles to the ceiling. Put larger balloons at the bottom to give the illusion of bubbles floating to the top.

EARMARK YOUR BOOK LISTS

Boost Book Fair attendance! Attach self-stick computer labels to each Book List with Book Fair dates and times and your Family Event date and time.

BOOK FAIR DATES AND TIMES
